

Glass Renovator Heavy Duty (GR HD)

A specialist renovator for the removal of inorganic deposits from glass surfaces.

1. Uses

Safely and effectively removes heavy build-up of bonded inorganic contaminants including limescale, metal oxides and other inorganic contaminants from glass, ceramics, vitreous enamel and other vitreous surfaces.

Ritec's Glass Renovators are for use only as part of the Ritec ClearShield Eco-System™ for glass renovation, 'non-stick' protection and maintenance.

2. Benefits

- Highly effective
- No dilution required
- Easy to apply
- Water-based

3. Physical Properties

Colourless liquid with an irritating odour. Non-flammable.

4. Packaging

10 x 500ml bottles
5 litre drums

5. Dilution

Do not dilute.

6. Coverage Rates

Dependent on the levels of contamination.

7. Handling Precautions

Ensure there is sufficient ventilation of the area. Avoid direct contact with the substance. Wear protective gloves / protective clothing / eye protection / face protection. IF SWALLOWED: Immediately call a POISON CENTER / doctor. Rinse mouth. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Take off immediately all contaminated clothing. Consult your own CoSHH Assessment.

8. Application Instructions

- Apply GR HD uniformly over the surface using 'T-bar' or '3M white' type pad
- Agitate for approximately 5 seconds
- Leave to dwell on the surface for up to 30 seconds
- Re-agitate for approximately 5 seconds
- Leave to dwell again for up to 30 seconds
- Rinse thoroughly with fresh running water, squeegee down, and rinse again thoroughly with fresh running water
- Squeegee dry
- Repeat process if required

9. Storage & Shelf Life

Store in a cool, well ventilated area. Keep container tightly closed. Shelf life is unlimited in unopened bottles. Product colour may discolour with age but performance is unaffected.

10. Health & Safety

Danger: Harmful if swallowed. Toxic in contact with skin. Causes severe skin burns and eye damage. If necessary, consult the relevant Safety Data Sheet available from Ritec on request.

11. Further Information

Do not allow to come into contact with marble.

Important Note

Ritec's products are guaranteed against defective materials and manufacture and are sold subject to its Terms & Conditions of Sale, copies of which may be obtained on request. Whilst Ritec endeavours to ensure that any advice, recommendation, specification or information is accurate and correct, it cannot – because it has not direct or continuous control over where or how its products are applied – accept any liability either directly or indirectly arising from the use of its products, whether or not in accordance with any advice, specification, recommendation or information given by it.
