

Neutraliser

Solvent-based, mildly acidic product for use immediately prior to application of ClearShield®.

product data

1. Uses

Ritec Neutraliser cleans, dries and chemically neutralises glass and other vitreous surfaces prior to application of ClearShield®.

Ritec Neutraliser is part of the Ritec ClearShield Eco-System™ for glass renovation, 'non-stick' protection and maintenance.

2. Benefits

- Easy to apply
- Highly effective
- No dilution required
- Needs no rinsing
- Leaves no film

3. Physical Properties

Colourless liquid with characteristic odour. Non-flammable.

4. Pack Sizes

10 x 500ml bottles

5. Dilution

Do not dilute.

6. Coverage Rates - Typical

40-50m² per litre.

7. Handling Precautions

Ensure there is sufficient ventilation of the area. Keep out of reach of children. Store at temperatures not exceeding 25°C. Wear protective gloves / protective clothing / eye protection / face protection. Consult your own CoSHH Assessment.

8. Application Instructions

Use Neutraliser immediately prior to application of ClearShield®. Apply Neutraliser with a clean cotton cloth or chemical-free paper towel. Do not dilute. Apply ClearShield® immediately after Neutraliser application.

9. Storage & Shelf Life

Store in a cool, well ventilated area not exceeding 25°C. Keep container tightly closed. Must only be kept in original packaging. Shelf life unlimited in unopened bottles.

10. Health & Safety

Not classified as hazardous. If necessary, consult the relevant Safety Data Sheet available from Ritec on request.

Important Note

Ritec's products are guaranteed against defective materials and manufacture and are sold subject to its Terms & Conditions of Sale, copies of which may be obtained on request. Whilst Ritec endeavours to ensure that any advice, recommendation, specification or information is accurate and correct, it cannot – because it has not direct or continuous control over where or how its products are applied – accept any liability either directly or indirectly arising from the use of its products, whether or not in accordance with any advice, specification, recommendation or information given by it.
