Product: After-Care for ClearShield Glass

Date: March 2008

A specialist cleaner for clear and sandblasted glass protected with ClearShield.

1. Uses

Quickly and efficiently wipes off salt/hard water, tree saps, traffic pollution, bird lime and other dirt and greasy substances from all types of glass, and many other surfaces.

Also very effective on most metal and plastic surfaces.

2. Benefits

- Requires no rinsing
- Quick drying
- Leaves no film or residue

3. Physical Properties

Green, pleasant smelling liquid.
Non-flammable.

4. Pack Sizes

10 x 500ml trigger spray bottles
5 litre drums

5. Dilution

Do not dilute.

6. Coverage Rates - Typical

40-50 m²/litre.

7. Handling Precautions

Avoid contact with eyes and prolonged contact with skin.

8. Application Instructions

Recommended as a specialist cleaner, to be used when required to maintain the pristine appearance of ClearShield Glass.

- a. Spray onto a clean soft cloth and wipe evenly onto the surface.
- b. Polish dry with a clean soft dry cloth.

9. Storage & Shelf Life

Store in a cool environment in its original container. Unlimited shelf life for unopened containers.

10. Health & Safety

Classified as non-hazardous. If necessary, consult the relevant Safety Data Sheet available from Ritec on request.

11. Further Information

Wipe spillages with cloth.

Important Note

Ritec's products are guaranteed against defective materials and manufacture and are sold subject to its Terms & Conditions of Sale, copies of which may be obtained on request. Whilst Ritec endeavours to ensure that any advice, recommendation, specification or information is accurate and correct, it cannot – because it has not direct or continuous control over where or how its products are applied – accept any liability either directly or indirectly arising from the use of its products, whether or not in accordance with any advice, specification, recommendation or information given by it.
