- 6. Coverage Rates - Typical**  
80 -100m<sup>2</sup> per litre
- 7. Handling Precautions**  
Avoid contact with eyes, for prolonged use wear gloves.
- 8. Application Instructions**  
Clean and dry the glass thoroughly.  
For smaller areas such as a shower door – apply a small amount of product undiluted over the whole glass surface using a clean dry cloth and leave to dry.  
For larger areas such as a shopfront – using a spray to apply product over half the area and then using a squeegee or T-bar, spread quickly over the whole surface. Conditioner reacts with the surface of glass in a few seconds, so do not allow to dry before spreading across the surface.
- 9. Storage & Shelf Life**  
Do not allow to freeze – for further information please refer to section 7 of the Safety Data Sheet. Keep container tightly closed. Keep away from direct sunlight. Shelf life is unlimited in unopened bottles.
