9. PHYSICAL AND CHEMICAL PROPERTIES		· ·			
Appearance	Stiff paste for applica	tion by hand and knife, packed into p	lastic buckets.		
Odour	None.				
Specific Gravity	2.0g/cm ³	2.0g/cm ³			
Water solubility	0 g/l at 25°C	0 g/l at 25°C			
The above information is not intended for use in preparing product specifica	ations.				
10. STABILITY AND REACTIVITY					
General information	Stable at room tempe	Stable at room temperature.			
Conditions to avoid	None established.	None established.			
Materials to avoid	None established.	None established.			
Hazardous decomposition	During combustion ca	During combustion carbon monoxide and carbon dioxide will be generated.			
11. TOXICOLOGICAL INFORMATION					
On contact with eyes	May cause smarting	May cause smarting and irritation.			
On skin contact	Prolonged contact ma and dermatitis.	Prolonged contact may defat and dry the skin leading to possible irritation and dermatitis.			
On inhalation	Not applicable.	Not applicable.			
On ingestion	May cause irritation of	May cause irritation of the mouth, throat and digestive system.			
Other health hazard information	None known.	None known.			
12. ECOLOGICAL INFORMATION					
Ecotoxicity effects	None known.	None known.			
Environmental fate and distribution	Solid material, insolu	Solid material, insoluble in water. No adverse effects are predicted.			
Fate and effects in waste water treatment plants	No adverse effects of	No adverse effects on bacteria are predicted.			
Persistence and degradability	Biologically not degra	idable.

16. OTHER INFORMATION

This Product Safety Data Sheet was prepared in compliance with article 31 and Annex II of the EU REACH regulation as well as their relevant amendments, on the approximation of laws, regulations and administrative provisions relative to the classification, packaging and labelling of dangerous substances and preparations.

This product should only be used as stated in Hodgson literature. It is the responsibility of the persons in receipt of this Product Safety Data Sheet to ensure that the information contained herein is properly read and understood by all people who may use, handle, dispose of or in any way come in to contact with the product. If the recipient subsequently produces a formulation containing the Hodgson product, it is the recipient's sole responsibility to ensure the transfer of all relevant information from the Hodgson Product Safety Data Sheet to their own Product Safety Data Sheet in compliance with article 31 and Annex II of the EU **REACH** regulation.

All information and instructions provided in the Product Safety Data Sheet are based on the current state of scientific and technical knowledge at the date indicated on the present Product Safety Data Sheet. Hodgson shall not be held responsible for any defect in the product covered by this Product Safety Data Sheet, should the existence of such defect not be detectable considering the current state of scientific and technical knowledge.
