

Clean-All (Concentrate)

A water-based concentrate for general-purpose maintenance of ClearShield Eco-Glass™ and other surfaces.

1. Uses

- For use on glass, ceramic, enamel, metal and plastic surfaces
- Particularly effective for cleaning nicotine, cooking oils, grease, finger marks, traffic film and general dirt

2. Benefits

- Effective for cleaning many types of surfaces
- Environmentally friendly, water-based and biodegradable
- Economical and versatile

3. Physical Properties

Green, sweet-smelling liquid. Non-flammable.

4. Pack Sizes

10 x 500ml bottles
5 and 25 litre drums

5. Dilution

For general use, 4-8 capfuls of Clean-All Concentrate to 5 litres of fresh warm water, dependent on hardness of water and level of contamination.

6. Coverage Rates - Typical

100 to 125 m²/litre, dependent on level of contamination.

7. Handling Precautions

Keep out of reach of children. Wash hands thoroughly after handling. Wear protective gloves. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice. Consult your own CoSHH Assessment.

8. Application Instructions

- Dilute as required (refer to Dilution section) with fresh warm water
- Apply by spray, cloth, brush, sponge or 'T'-Bar
- Agitate if necessary
- Rinse thoroughly with fresh water
- Wipe or squeegee dry
- Repeat process if required

9. Storage & Shelf Life

Store in a cool, well ventilated area. Keep container tightly closed. Must only be kept in original packaging. Product colour may fade with age but performance is unaffected.

10. Health & Safety

Warning: Causes skin irritation. If necessary, consult the relevant Safety Data Sheet available from Ritec on request.

11. Further Information

Do not allow to dry on the surface as discolouration may result. Do not use on marble or any other surfaces that are not acid resistant.

Important Note

Ritec's products are guaranteed against defective materials and manufacture and are sold subject to its Terms & Conditions of Sale, copies of which may be obtained on request. Whilst Ritec endeavours to ensure that any advice, recommendation, specification or information is accurate and correct, it cannot – because it has not direct or continuous control over where or how its products are applied – accept any liability either directly or indirectly arising from the use of its products, whether or not in accordance with any advice, specification, recommendation or information given by it.
