

accessori box doccia

shower box fittings

accessorios box ducha

Minusco presenta con questa selezione, una gamma di accessori provenienti dalla ben più vasta produzione **colcom** dedicata al box doccia.

Le proposte comprendono sia prodotti consolidati e ben conosciuti dal mercato, sia nuove soluzioni come il sistema Coleman ed il sistema Hip-zac.

Le soluzioni suggerite sono in grado di soddisfare la maggior parte delle esigenze degli installatori di box doccia su misura.

Questo è solo il primo passo, arricchiremo infatti nel tempo le applicazioni a vostra disposizione tenendo in massima considerazione i vostri suggerimenti.

*Minusco wishes to introduce you to its new brochure of selected fittings for shower enclosures taken from the wider range of **colcom** products.*

Throughout this catalogue Minusco wishes to point out well known Colcom products as well as brand new solutions introduced by Hip Zac and Coleman systems.

Suggested applications fulfil most of shower installers' needs.

This represents our very first step. In the next future we wish to further improve our service, always taking into great account all possible suggestions from your side.

Minusco presenta en esta selección de fichas, una gama de accesorios que derivan de una mas amplia production **colcom**, que se refiere a box ducha.

Las propuestas comprenden tanto productos consolidados y bien conocidos como nuevas soluciones - kit Coleman y kit Hip-zac.

Las nuevas soluciones pueden satisfacer las necesidades de los instaladores de box ducha a la medida.

Esto es el primer paso hacia el enriquecimiento de las aplicaciones; tomaremos en consideración sus sugerencias.
